

**REMARKS**

Please amend the specification and drawings as noted above. No new matter was added by the amendments to the specification, which are presented to address typographical errors and/or to provide additional consistency in the amended paragraphs with other originally filed text, claims, and figures. No new matter is added by the amendment to Figure 4 with the replacement sheet merely providing content originally filed in a formal drawing.

Consideration of the pending claims and issuance of a timely Notice of Allowance are respectfully requested.

Respectfully submitted,

Date 12/12/03
